Hi Deirdre,

We are gathering updates for the semiannual regulatory agenda. Can you take a look at the attached and let us know if anything has changed for the subject rule? This is a new action in the regulatory agenda and a number questions need to be answered, e.g., Children's Health, EJ, UMRAs and Levels of Government affected. You can either update via ADP Tracker or just email me the answers and I can update Tracker for you. If you are no longer the point of contact, can you let us know who we should be in touch with? Thanks.

Darryl
